

LEADERSHIP ACTIVITY RECORD

Students are to do one leadership activity where they organize and execute a health promotion service during their junior level courses and one during their senior level courses. You can use this record to keep track of them if you wish. It would be good to upload pictures or artifacts from your activity as evidence in your portfolio. It would also make the portfolio more interesting for the reader.

	DATE	Description of Activity	Signature of NSA Advisor or picture of activity (must include YOU in picture)
Semester 3, 4, or 5	4/9/2026	<p>NMDP Donor Registry Drive - This leadership project will consist of organizing and hosting a NMDP (National Marrow Donor Program) bone marrow donor registration drive on campus. The purpose of this event is to increase awareness about bone marrow donation and encourage eligible students and faculty to join the national donor registry.</p> <p>During the event, we will:</p> <ul style="list-style-type: none"> • Provide education about blood cancers and the importance of bone marrow donation and answer any questions • Explain the donation process and eligibility criteria • Assist those interested in completing registration through the simple cheek-swab process <p>Will update after projection completion on the 9th!</p>	
Semester 6, 7, or 8			

SWAB A CHEEK, SAVE A LIFE.

Yes, it's that simple.

Joining the National Marrow & Stem Cell Donor Registry is a remarkable expression of compassion. Every 3-4 minutes someone in the U.S. is diagnosed with a blood cancer and in just 5 minutes, you could make all the difference in their treatment!

THURSDAY, APRIL 9TH
10 AM - 2 PM
